- Improve provision of PE & sport at Porters Grange Primary School.
- Ensure that PE & school sport is judged as at least good through any external monitoring.
- Broaden the sporting opportunities and experiences available to pupils.
- To develop a passion for sport and physical activity.
- To engage the children in physical activity during play and lunch times

**Outline of Primary Sport Premium spending**

Item/project	Cost	Objectives	Outcome/impact
OPAL Project resourcing	£99.99	Enhance the outdoor playing of sports and other imaginative play	Children and parents report via feedback and survey that they are more active in their play than before. Alongside the extension of the playtime itself playing of sport and other activities have increased the active minutes for our children.
Bouldering	£76.66	Provide the children with a taster session of the local bouldering provider with a view to children being able to experience a new sport to them	Children were presented with unfamiliar challenges in a safely regulated area. The children reported greater self esteem from being successful and a number of children have continued to use the facility

Swimming Lessons	£6165.89	To provide children increased swimming provision.	As the school is located in a coastal area the children are offered extended swimming opportunities so that every year group in KS2 now swims and year 3 have intensive lessons over the course of the year. The children are now more able to swim and as it is a repeating programme their confidence
Transport to sporting opportunities – competitions and swimming	£8855	To enable children to access swimming lessons for a half term each year and to provide transport to sporting competitions	As a result of entry into competitions over a third of the school has had the opportunity to represent the school in various sports such as athletics, football, dodgeball and inclusive sports such as panathelon, goalball, kurling and boccia. The boccia team made it through to the Essex finals
P.E. Equipment	£454.83	Following on from feedback stocks of sporting equipment has needed replacing or improving so as to enhance the sporting opportunities for the children.	New basketballs, footballs, bean bags and a Boccia set purchased for use in lessons over the coming years.
Sports Coaches for after school clubs and in lesson CPD	£1470	To widen our afterschool sports provision and upskill teachers in delivering the PE curriculum	Teachers in years 3 & 4 benefited from half a term of in lesson CPD
Karate Coach	£1440	Provide access to new sport that are not ordinarily on the curriculum and so broaden the children's experiences	Up to 30 children a week for two terms received expert coaching in karate from an expert coach. As it was run before school it incentivised attendance.
Gazebo	£302.49	Provide sun protection for children whilst attending sporting events in the summer.	Children will now be able to shelter safely from the harmful effects of the sun during events such as Borough Sports.

Sports Day	£24.91	Purchase a cup and ribbons to celebrate the victorious sports colours team	At our annual sports day we were able to present the winning team captains with a trophy decorated in their team colours to display to the gathered crowd
