Thursday 21st September 2023

Dear Parent/Carer,

To support the children's understanding of the Solar System that the children are learning about in science, we have arranged a visit to the Southend Planetarium and Museum. The visit will take place on Wednesday 18th October and will happen during normal school hours.

We do need to ask for a contribution of £5 and we request that you pay via your ParentPay account (please contact the School Office if you do not have access). This charge is for access to the museum for each child and the hour long Planetarium show. Unfortunately, we are only able to take the class on the trip if we receive sufficient contributions from parents. We do understand that these are difficult times financially and should you be unable pay please contact the office or your child's teacher so that alternative arrangements can be made.

We will be walking to and from the museum so on the day of the visit, so please ensure your child has comfortable shoes. In addition, as the visit will occur over the lunch period your child will need to bring a packed lunch. Those who receive a free school lunch will have a packed lunch provided for them, however you may also wish to provide extra food or drink.

Yours Sincerely

Mrs Chaabi
